

CONSERV SG80

Fabric Softener

CLEANING SOLUTIONS FOR THE HEALTH OF YOUR BUSINESS.

CONSERV SG80

Fabric Softener

CONSERV SG80 imparts softness to fabric and also contains brighteners and anti-static agents to minimize static and aid in speed and efficiency of dryers and ironers.

Leaves fabrics soft and gentle to the touch.

Solid form is convenient and safe to handle, with no chance of accidentally spilling on employees, linens, or equipment.

Contains no phosphate, VOCs, alkyl phenols, or solvents.

Rapidly biodegradable.

Ingredients are made from renewable resources.

Super softening ingredients require only a small amount of product for exceptional softness.
