

DURA SUDS

Pot and Pan Detergent

CLEANING SOLUTIONS FOR THE HEALTH OF YOUR BUSINESS.

DURA SUDS

Pot and Pan Detergent

DURA SUDS is a highly concentrated, high foaming dishwash detergent effective in cleaning utensils, pans, pots, kettles, etc., in institutional kitchens or food processing areas such as bakeries, delis, meat plants, etc.

Low cost pot and pan detergent for manual dish washing.

Emulsifiers remove and suspend greasy soils.

Foam builders for long lasting sudsing.

Skin conditioners and emollients; mild on hands.

Layers - 3	Layers - 2
Pallet - 63	Pallet - 24
Hazardous - No	Hazardous - No
UPC Code - 10784331600227	UPC Code - 784331600251

SAFETY:

Read label carefully before use. For industrial and institutional use only by trained personnel. Keep out of reach of children. For further information, consult the Safety Data Sheet.

DIRECTIONS FOR USE:

Pots, Pans, Utensils: Use 1/2 to 1 ounces of product for every 3 gallons of water. For heavily soiled pots and pans, put 1/2 ounce DURA SUDS in the pot/pan. Fill above soil line with warm water and soak for ten minutes. Rinse all items with clean water.

Glassware: Best results are obtained where 2 or 3 compartment sinks are used for washing, rinsing and sanitizing, respectively. Use 1/2 ounce of product per 3 gallons of water for washing.

For best suds stability, place DURA SUDS in empty tank first and add warm water under full pressure.
