Floor Cleaner
Biological A

CLEANING SOLUTIONS FOR THE HEALTH OF YOUR BUSINESS.

ECLIPSE

Floor Cleaner - Biological A

ECLIPSE is a biological floor cleaner that is effective in all areas of the store, including sales floors, waxed/finished floors, restroom floors, and greasy kitchen floors. It is ideal for customers who have multiple floor types or different cleaning areas, as well as chain customers that require a consistent program from property to property, but have different floor types / cleaning areas to address.

CLEANING: Deep cleans surfaces, as well as removing dirt and soil. Cleans grout and eliminates slippery floors.

DEGREASING: Contains a combination of biological agents that continue to break down grease and oil even after floors have been mopped. Ideal for greasy kitchen or deli floors.

ODORS: Biological agents help to break down and remove sources of odor - even on restroom floors.

Reduced training required - no need for multiple floor cleaners, this product is effective on all types of floors.

Contains no phosphates, VOCs, or NPEs.

Rapidly biodegradable.

Mild pH.

Yields 650 gallons per capsule.

PACKAGING:

1 x 3.25 lbs/case (#1628S1)

PROPERTIES:

Color - Orange	Emulsification - Excellent
Fragrance - Orange	Hard Water Tolerance - Excellent
pH - NA	
pH, Use Solution - 8.0-10.0	Rinsability - Excellent
Detergency - Excellent	Corrosive Factor - None
