ENCORE

Solid Aluminum Safe Warewashing Detergent

ENCORE is an aluminum safe, highly concentrated and defoamed solid warewashing detergent that powers off soil. Encore's unique formula has metal protection properties that will not discolor or attack aluminum or soft metals, but leaves them clean and bright. Exceptionally high concentration helps to lower operational cost.

100% active raw materials - no fillers added.

Specially formulated to remove the heaviest food soils from dishes, utensils, and cookware.

Super concentrated, defoamed formula provides low use cost and excellent results.

Special metal protecting formula - won't discolor, pit, or corrode aluminum.

Safe to use solid capsule eliminates the possibility of chemical spills or burns on skin or in eyes.

Product is Kosher certified.

NSF certifies that this product conforms to the requirements of the NSF Nonfood Compounds Registration Program.
