# LEMON SUDS

Premium Pot & Pan Detergent

**LEMON SUDS** is a super concentrated, high foaming dishwash detergent for manual washing of all portable parts and cooking equipment processed in pot and pan sinks. Tough on greasy soils, yet mild on hands. Leaves surfaces clean and film free.

Super concentrated.

Wetting agents penetrate soil.

Emulsifiers remove grease and oils.

High, long lasting suds.

Skin conditioners and emollients.

	Shelf Life - Indefinite

## BAR CODE & CUBE INFORMATION:

Dimensions - 11 x 7 x 11

Weight - 14

Cube - 0.49

PKG/Layers - 22

Layers - 3

Pallet - 66

Hazardous - No

UPC Code - 10784331600760

## SAFETY:

Read label carefully before use. For industrial and institutional use only. Keep out of reach of children. For further information, consult the Safety Data Sheet.

## DIRECTIONS FOR USE:

**POTS & PANS:** Use 1/2 to 1 oz. LEMON SUDS for every 3 gallons of water. Where grease encountered is excessive, put 1/2 oz LEMON SUDS in pan and soak for a few minutes.

**GLASSWARE:** Best results are obtained where 2 or 3 compartment sinks are used. First sink for washing, second for rinsing, and last for sanitizing. Use 1/2 oz. LEMON SUDS to 3 gallons of water for washing.

For maximum suds stability, place LEMON SUDS in empty tank first, then add warm water with full water pressure.
