Lime Scale Remover

CLEANING SOLUTIONS FOR THE HEALTH OF YOUR BUSINESS.

LIME BE GONE

Lime Scale Remover

LIME BE GONE is a highly concentrated lime scale remover. To clean, use directly on acid-safe surfaces, then rinse with water. Do not use on wood, formica, aluminum, galvanized metal, or any surface that is painted or stained.

Phosphoric acid cleaner.

Fortified with hydrochloric acid.

Used to remove all types of mineral and scale deposits.

Effective for removing lime films and build ups in dishwashers and steam tables.

Can be used to clean food processing equipment, sinks, toilets, ceramic tile and grout.

Great rust remover.

Dimensions - 12.75 x 12.75 x 13
Weight - 39
Cube - 1.270
PKG/Layers - 9
Layers - 3
Pallet - 27
Hazardous - Yes
UPC Code - 10784331663017

SAFETY:

Read label carefully before use. For industrial and institutional use only by trained personnel. Keep out of reach of children. Harmful if inhaled. Causes severe skin burns and eye damage. Harmful if ingested. For further information, consult the Safety Data Sheet.

DIRECTIONS FOR USE:

Use directly on acid safe surfaces. After cleaning, rinse with water.

For more effective cleaning, mechanically scrub the surface and let soak, then rinse. Pump or circulate through dishwasher, steamer, coffee urns, tubing or pipes to remove calcium deposits. Rinse thoroughly with clean water.

Avoid prolonged contact with aluminum.

Do not use on wood, formica, or any surface that is painted or stained.
