

REVIVE

Liquid Sizing and Soil Resistant Coating

CLEANING SOLUTIONS FOR THE HEALTH OF YOUR BUSINESS.

REVIVE

Liquid Sizing and Soil Resistant Coating

REVIVE is a unique liquid sizing formula designed for broad usage and easy application. Adds body to a wide range of cotton and polyester blends with no build up. Protects cotton fibers from breaking down increasing life of cottons and blends.

Liquid starching agent that leaves a crisp finish to table linens, shirts and anything needing a luxury finish.

Provides an invisible protective coating.

Helps resist stains and soils.

Contains optical brighteners which enhance colors and whites.

Highly concentrated formula.
