EPA recognition does not constitute endorsement for this product. The Safer Choice logo signifies that the formula for this product, as Sunburst has represented to the EPA, contains ingredients with more positive health, safety and environmental characteristics than conventional cleaners. EPA/Safer Choice relies solely on Sunburst, its integrity and good faith, for information on the composition, ingredients, and attributes of this product. EPA/Safer Choice has not independently identified, i.e., via chemical analysis, the ingredients in the product formula, nor evaluated any of Sunburst's non-ingredients claims. EPA/Safer Choice expresses its judgment and professional opinion only as to the environmental and human health characteristics of the product, based on currently available information and scientific understanding.

DIRECTIONS FOR USE:

Remove cap and place in dispenser. To remove black tarnish from silver plate, place sheet of aluminum foil in the presoak pan. Add **Solid Green 34 Silverware Presoak** solution. **R2U Dispenser:** Turn valve ON to fill container to desired level and turn valve OFF. **P4C Dispenser:** Fill container to desired level with water, then push button and release to add chemical concentrate.
