SOLID GREEN 78

Glass and Neutral Cleaner

SOLID GREEN 78 Glass and Neutral Cleaner is certified by the U.S. Environmental Protection Agency's Safer Choice program and contains ingredients with more positive health and environmental characteristics than conventional products.

Neutral pH, not acid, alkaline or corrosive.

Contains biodegradable surfactants.

Safe on all surfaces.

Will not leave streaks and film on glass, mirrors or windows.

Will not clog orifices in automatic scrubbers or pressure sprayers.

Ideal for use on waxed floors.

Contains safer ingredients.

EPA recognition does not constitute endorsement for this product. The Safer Choice logo signifies that the formula for this product, as Sunburst has represented to the EPA, contains ingredients with more positive health, safety and environmental characteristics than conventional cleaners. EPA/Safer Choice relies solely on Sunburst, its integrity and good faith, for information on the composition, ingredients, and attributes of this product. EPA/Safer Choice has not independently identified, i.e., via chemical analysis, the ingredients in the product formula, nor evaluated any of Sunburst's non-ingredients claims. EPA/Safer Choice expresses its judgment and professional opinion only as to the environmental and human health characteristics of the product, based on currently available information and scientific understanding.

PACKAGING:

1 x 2.5 lbs/case (#1122S1)

PROPERTIES:

Color - Off White	Emulsification - Excellent
