Hazardous - No

SAFETY:

Read label carefully before use. For industrial and institutional use only by trained personnel. Keep out of reach of children. Harmful if swallowed. Causes severe skin burns and eye damage. May cause respiratory irritation. For further information, consult the Safety Data Sheet.

DIRECTIONS FOR USE:

Coffee Makers and Tea Pots: Add 1/2 oz. (one tablespoon) of product per gallon of hot water. Dissolve and mix. Allow to stand for 1 hour or longer, or until the interior is clean. Drain. Rinse three times with clean water, allowing rinse water to flow through any spouts or internal parts.

Cups, Dishes and Utensils: Add 1/2 oz. (one tablespoon) of product per gallon of hot water to a sink, bus pan or pail. Mix to dissolve. Place items in the solution, making sure all items are totally covered by the solution. Soak 1 hour or until stains are gone. Put cups in a dishwash rack and pass through dishwasher to rinse and sanitize.
