

TD 360

Universal Rinse Aid

CLEANING SOLUTIONS FOR THE HEALTH OF YOUR BUSINESS.

TD 360

Universal Rinse Aid

TD 360 is a premium rinse additive that delivers great results regardless of water conditions or equipment type. It is formulated for excellent results where standard additives are inadequate.

Liquid dishmachine drying agent.

Designed for use in areas with hard water and high dissolved solids in their facilities' water supply.

Formulated for low and high temperature machines.

Effective in all water conditions.

Fast acting sheeting action.

Leaves glassware spot-free, clear, and film-free.

Plastic and metal surfaces dry spotless in seconds.
