

TIFFANY PINK

Toilet Bowl Cleaner

CLEANING SOLUTIONS FOR THE HEALTH OF YOUR BUSINESS.

TIFFANY PINK

Toilet Bowl Cleaner

TIFFANY PINK is a mild disinfecting cleaner that is a safe, versatile, and economical product designed to be a very effective restroom cleaner. Mild phosphoric acid, detergents and wetting agents unite to quickly remove water minerals, scale, rust, soap scum, and filth from all bathroom surfaces. Odor causing bacteria are destroyed and all surfaces are left smelling clean and sanitary. Removes rust, mineral deposits and lime as well as soap scum, body oils and grease. Our formulation is inhibited to protect plumbing and all metallic surfaces and will not harm septic tank action.

Cleans and deodorizes instantly.

Disinfects while you clean.

Thickened to cling to vertical surfaces.

Versatile - can be used on many surfaces.

EPA registration #8155-7-670

Can be used in the following areas:

Dimensions - 11 x 7 x 11
Weight - 16
Cube - 0.49
PKG/Layers - 22
Layers - 3
Pallet - 66
Hazardous - No
UPC Code - 784331806066

SAFETY:

Read label carefully before use. For industrial and institutional use only by trained personnel. Keep out of reach of children. Harmful if inhaled. Causes severe skin burns and eye damage. For further information, consult the Safety Data Sheet.

DIRECTIONS FOR USE:

For Heavily Soiled Areas: A preliminary cleaning is required before disinfection can occur.

To Clean and Disinfect Toilet Bowls: Remove water from bowl by forcing over trap with applicator. Remove excess water from applicator by pressing it against the side of the bowl. Pour 1 ounce of product on the applicator. Clean entire unit, especially under the rim at water outlets. Allow to remain 10 minutes. Flush and rinse out applicator.

To Clean and Disinfect Urinals: Pour 1 ounce on to mop and apply or squirt directly onto surface. Allow to remain 10 minutes. Flush and rinse out applicator.

To Clean and Disinfect Sinks, Bath Tubs, Shower Stalls, Drinking Fountains, Tile, Porcelain Enamel and Stainless Steel: Always dilute with 3 parts water to 1 part product. Do not allow solution to remain on fixtures without immediately and thoroughly rinsing with water.
