

VIVID

Glass and Hard Surface Cleaner

CLEANING SOLUTIONS FOR THE HEALTH OF YOUR BUSINESS.

VIVID

Glass and Hard Surface Cleaner

VIVID is a versatile glass and hard surface cleaner for glass, windows, mirrors, windshields, stainless steel, porcelain, tile, waxed floors, or any lightly soiled surface where streaks cannot be tolerated.

100% active raw materials - no water or fillers added.

Specially formulated to clean hard surfaces such as:

Tile	Chrome fixtures
Porcelain	Windows
Stainless steel	Mirrors
Waxed floors	Windshields

Leaves surfaces streak free.

Specially formulated to provide a neutral pH cleaning solution in all concentrations.

Non-ammoniated formula means no unpleasant odor after use.

Dimensions - 5.25 x 5.25 x 7.50
Weight - 3
Cube - 0.120
PKG/Layers - 42
Layers - 7
Pallet - 294
Hazardous - No
UPC Code - 10784331175114

SAFETY:

Read label carefully before use. For industrial and institutional use only by trained personnel. Keep out of reach of children. Causes eye and skin irritation. Harmful if swallowed. May cause eye damage. For further information, consult the Safety Data Sheet.

DIRECTIONS FOR USE:

For use through an R2U dispenser

Floors: Use warm (not hot) water to fill the mop bucket. Turn valve to "on" position and fill with solution until desired level is reached. Damp mop as usual. For heavily soiled areas, scrub and pick up solution. Change water when it is visibly soiled and dirty.

Glass (windows, mirrors, display cases): Use cold water to fill trigger sprayers or buddy jugs. Spray or wipe with a clean, dry towel or paper towel.

Gas Station Customer Windshield Wash: Remove reservoir bucket from pump island. Fill with solution using warm water. Check scrubber and replace if worn out. Replace reservoir bucket on pump island.
