## Modular Solid Laundry Dispensers

CLEANING SOLUTIONS FOR THE HEALTH OF YOUR BUSINESS.

## MSL Dispensers

- Made up of modules that work together as a single dispenser.
- Offers both bowls and pumps to allow for solid and liquid laundry product use.
- Stock dispensers include: MSL1021, MSL1030, MSL1031, MSL1040, MSL2021, and MSL2030.
- 24 VDC operation provides for safe operation and maintenance.
- Signal input module provided to isolate and control electrical interference from the washer.
- Installation components provided include: signal wire, power supply, water supply hose, and flush tube to feed the washer.
- Serviceable parts are visible and easily accessible.

## WARRANTY:

This dispenser is warranted against defects in material and workmanship for a period of one year from the date the dispenser is installed, as verified by the receipt of the dispenser warranty registration card, except where otherwise noted. Units which are proven to be defective during the warranty period will be repaired or replaced, provided they are returned to Sunburst Chemicals, Inc. No other warranty is expressed or implied. Warranty does not cover equipment abuse or misuse, nor does it cover consequential liability resulting from performance of equipment.

## ORDER #:

MSL - Modular Solid Laundry Dispenser
