R2U6000 Dispenser

- **COST CONTROL:**
Dispenses consistent mixture of water and detergent for an effective Ready-To-Use solution at competitive use costs.
- **SIMPLIFIED TRAINING:**
Fill a container with Ready-To-Use solution simply by turning valve handle - no operator judgments.
- **SAFETY:**
Employee contact with concentrated chemicals is eliminated, increasing safety and reducing liability.
- **COMPACT, DURABLE DISPENSER:**
Compact, space-saving dispenser design enables dispenser to be easily positioned and mounted in compact areas. Molded plastic dispenser eliminates corrosion, staining, rusting, and resists breaking.
- **STORE SAVING CHEMISTRY:**
Store, handle, and ship compact containers containing 100% actives. 1 capsule solid = 4-7 gallons liquid detergent concentrate.
- **MULTIPLE APPLICATIONS:**
Ideal for applications to fill 3-bin sinks, mop buckets or auto scrubbers with ready-to-use solution.
- **RAPID FILL RATES:**
Adjustable dispensing up to 9 gpm.

WARRANTY:

This dispenser is warranted against defects in material and workmanship for a period of one year from the date the dispenser is installed, as verified by the receipt of the dispenser warranty registration card, except where otherwise noted. Units which are proven to be defective during the warranty period will be repaired or replaced, provided they are returned to Sunburst Chemicals, Inc. No other warranty is expressed or implied. Warranty does not cover equipment abuse or misuse, nor does it cover consequential liability resulting from performance of equipment.
