PERFORMANCE PLUS

Dishwash Detergent

PERFORMANCE PLUS Dishwash Detergent is formulated to remove the heaviest food soils from dishes, utensils and cookware in the first wash. With outstanding cleaning results in both high temperature and low temperature dish machines, Performance Plus can be trusted to deliver a high-quality clean.

Created to achieve exceptional results in hard water.

The exclusive formulation prevents films from developing on dish-ware and flatware, leaving the surface clean and streak-free.

Contains no APEs, NPEs or Phosphates
